

August 29, 2019

Dear Friends,

It is with heavy hearts that Linden Bridge Preschool made the decision to close its doors at the end of the 2019 school year. Enrollment has been a struggle for the last several years, and the school board had to make that tough decision to not move forward.

However, there is a bright light! We are celebrating 49 years of serving this community as a loving, nurturing preschool to thousands of children. There were countless times kindergarten teachers would thank us for preparing the children so well for the start of their elementary school years. We earned the respect and trust from parents while their children were in our care. The children were taught that God loved them. Pastors visited the classroom during the school year and shared Bible stories, songs, and listened as the children asked questions and shared their thoughts. Many parents became active members of Linden Heights. Their children attended Sunday school, worship, received their own Bible and became members themselves as young adults.

We truly want to celebrate the teachers, aides and most of all, the children that attended Linden Bridge Nursery School for those 49 years!

Please join us on Sunday, October 6th at 10:00 a.m. for our Worship Service to celebrate those 49 years that we were blessed to have this program.

Also, join us for light refreshments at the conclusion of the service.

God Bless You,
Linden Bridge Preschool Board
